About Me

I am a visual arts student working to enhance my creative abilities and pursue a career in visual design, illustration, and storytelling. Through diverse mediums such as photography, writing, graphic design, film, and illustration, I am actively exploring my areas of interest as a high school student, engaging in work-based learning experiences and community service initiatives.

Skills

- Adobe Certified Associate in Visual Design with Photoshop CC 2018.

Experience

BRIC, Brooklyn Oct 2022 - PRESENT
Youth Media Fellow

- Critically evaluated and analyzed films to assess their components.
- Conceptualized and defined the theme, age range, and ideal content for a youth film festival.
- Developed video and image marketing materials to promote selected films
- Empowered the voices of NYC youth through the creation and organization of a film festival.
- Directed content creation efforts to effectively promote and enhance audience engagement.

Cancer Kids First, Manhattan Oct 2022 - PRESENT
Club member

- Utilized my artistic abilities to create handmade personalized crafts for young cancer patients, including cards, coloring books, and more gifts
- Efficiently collaborated and communicated with team members to coordinate projects and meet deadlines efficiently
- Dedicated efforts to bring a touch of happiness to the lives of the children

Wollman Rink, Manhattan Oct 2022 - Nov 2022
Designer of the 2023 winter season mural

- Created digital mock-ups and mural concepts to present clients, aligning with the project's theme, location, and target audience
- Employed acrylic paint to apply the design onto the mural surface
- Collaborated with peers to apply the design to the mural
- Coordinated logistics, materials, and resources for smooth project execution
